For Immediate Release:

Action Products, Inc. is celebrating Angels at the 58th AORN Congress.

Hagerstown, MD, USA, February 24, 2011: At the 58th AORN Congress, the Action Booth #2023 will be turning celestial in celebration of its Angel series product launch. To kick off the event and in celebration of Nurse Angels worldwide, Action is hosting a contest in search of the ultimate Nurse Angel. Action has created an online social community where nurses are invited to nominate their own Nurse Angel by sharing their personal stories of exceptional nurses or nursing experiences. All nominations will be submitted on the Action Products blog, <http://blog.actionproducts.com/>. Everyone is encouraged to share, read, comment and vote for their personal favorite. The Action[®] Nurse Angel Honoree will aptly be announced on May 13th, during National Nurses Week.

“We truly think the AORN is an ideal place to kick off the Angel line and our social network – and to do so in a way that recognizes and celebrates the dedication and perseverance of nurses the world over is icing on the cake!” says Janet Kaplan, Marketing Manager, Action Products, Inc. –Medical Products Group.

While visiting Booth #2023, nurses will receive a complimentary Nurse Angel keepsake pin in honor of the occasion, as well as a free educational positioning DVD.

Action Products, Inc. is the manufacturer of pressure relieving support surfaces to prevent pressure ulcers. As a pioneer in the gel positioning category, Action[®] products have many pressure and shear reducing qualities. Action remains the leader in the industry due to its independent clinical studies proving its effectiveness, and its continuing support of pressure ulcer prevention education.
