For Immediate Release:

The Power of You at AORN Expo 2017

Hagerstown, MD, USA, March 6, 2017: The [2017 AORN Surgical Conference and Expo](#) will take place in Boston from April 1-4 and Action Products will be there! This year there will be a Global Conference to be held all day, Saturday, April 1st. “We are excited to meet with our friends from around the globe,” states Chris McElroy, SVP of International Sales. Being a global company, we are also hosting Missy Brown, OR Director from the Africa Mercy. Come by our booth on Sunday night to ask her questions about her efficient, remote operating rooms.

The theme this year is *The Power of You*, providing empowerment to nurses who innately forget to take care of themselves. In keeping with *The Power of You* theme, Action will provide power recipe cards to keep your mind and body sharp. As always, Action will give away exclusive Nurse Angel pins and usable samples of Akton[®] polymer gel.

Once again, join us for the 4th annual *Scan for a Cause*. A swipe of a badge provides a donation to the AORN Foundation or Mercy Ships. “It is our way of giving back to our loyal friends and followers who we see every year without fail,” says Janet Kaplan, Marketing Director of Action Products, Inc., Medical Products Group.

As always, we will be tweeting before, during and after the event at #AORN2017. **There are lots of reasons to visit Action at the AORN Expo 2017, Booth #1429.** We are right on the main aisle and we are looking forward to visiting with you.

Action Products, Inc. protects patients and nurses with polymer gel positioners, support surfaces and fluid management products. As a pioneer in the gel positioning category, Action[®] products have many pressure and shear reducing qualities. Action remains the leader in the industry due to its independent clinical studies proving its effectiveness. For more information, please visit www.actionproducts.com or www.4yourOR.com.
