For Immediate Release:

Action Products, Inc. is getting ready to greet nurses at the AORN Surgical Conference and Expo.

Hagerstown, MD, USA, March 1, 2014: Beginning on March 30th, Chicago will be abuzz with all of the finest operating room nurses from around the globe. Action Products will be there to thank them for their commitment to patient safety at Booth #4623. This year Action is set to connect with thousands of customers, giving them the option of donating money, with the swipe of their badge, to AORN Foundation or Mercy Ships. “It is our way of giving back to our loyal friends and followers who we see every year without fail,” says Janet Kaplan, Marketing Director of Action Products, Inc., Medical Products Group. Another way Action is giving back is with free docking stations for the nurses to recharge their electronic devices at the show. “While people recharge their batteries, we can say thank you,” comments Rick Olin, O.R. Director of Sales.

As always, Action will be tweeting and posting about the daily events at #AORN2014 and www.facebook.com/ActionProducts. Come, join the fun in the Windy City and give back at the same time. See you there!

Action Products, Inc. is the manufacturer of pressure relieving support surfaces to prevent pressure ulcers. As a pioneer in the gel positioning category, Action[®] products have many pressure and shear reducing qualities. Action remains the leader in the industry due to its independent clinical studies proving its effectiveness, and its continuing support of pressure ulcer prevention education.
