## On Our Way to Zero Pressure Injuries

“You might consider pressure injuries “out of sight, out of mind,” or “not our Problem.” After all, you have no way of knowing you sent a patient home with a bed sore. And Besides, you’ll probably never see the patient again.

We spoke with three nurses who’ve helped steer PI-prevention initiatives at their facilities about practical ways to change that mindset and prevent pressure injuries in the OR.”

*Outpatient Surgery Magazine, August 2019*
