### **For Immediate Release:**

### **Action Products, Inc. signs agreement with VGM Canada/Motion Group.**

**Hagerstown, MD, USA, July 8, 2009:** As a clinically-based manufacturer of reusable pressure ulcer prevention products, Action Products, Inc. announces a new agreement with VGM Canada/Motion Group. All ACTION® products feature exclusive Akton® Viscoelastic polymer and are medically proven to prevent pressure ulcers. VGM members will find significant discounts on all ACTION DME and Rehab items, including wheelchair cushions, adaptive pads, mattress overlays, commode pads, heel and elbow pads, and comfort heel cups. For more information on the full line of ACTION brand products, please visit Action Product's Canadian Representative at <http://www.hpurehab.com/products/categories/C19/> or contact HPU Rehab at [info@hpurehab.com](mailto:info@hpurehab.com).

About VGM Canada/Motion Group:

VGM Canada is the largest buying alliance for independent Canadian HME and Rehab providers.

About Action Products, Inc.:

Since 1970, Action Products, Inc. has been *Making a Material Difference*®, by manufacturing Akton® Viscoelastic polymer pads and positioners for the prevention of decubitus ulcers. With many white papers and clinical studies, Akton® polymer products have become the worldwide gold standard for the polymer industry. ACTION, AKTON, and MAKING A MATERIAL DIFFERENCE are all registered trademarks of Action Products, Inc.
